

East Riding of Yorkshire Improvement and Learning Service

Continuing Professional Development Event

Governors' Termly Forum

Outline of event:

These termly forums have replaced the Chairs and Vice Chairs Forum. The aim of these forums are to provide all governors with the opportunity to learn about new initiatives and responsibilities. There will also be an opportunity to share best practice and liaise with peers within your cluster area and throughout the East Riding.

Session details will be provided at the beginning of each term.

Autumn term:

John Seaman, Principal Improvement Partner will be providing an update on the East Riding's exam results and explain our priorities for the academic year.

Mandy Gravil, Improvement Officer will provide information the Investors in Pupils Accreditation.

Further details to follow.
