

East Riding of Yorkshire Improvement and Learning Service

Continuing Professional Development Event

Analyse School Performance (ASP) - Secondary School Governors

Outline of event:

This session will help you to examine the data for your school in the new RAISEonline (ASP) and the OFSTED Inspection dashboard.

The event will enable you to have:

- * Clear understanding of current accountability measures and expectations of schools
- * Ability to analyse school's own data as provided by ASP

This event will take place at County Hall, Beverley 7.00pm to 9.00pm

Learning and Teaching Outcomes:

Participants will have the skills to judge how the school performs in relation to national data, how the school might improve and where the school's priorities lie in terms of results.

Dates and Venues:

Tue 13 Mar 2018 ~ County Hall

Duration: this is a special arrangement event
